Señor Juez

Yo, Trini Alejandra Castañeda Romero, identificada con CC 1016079593 de Bogotá, hija de José Mauricio Castañeda Garzón, identificado con CC 79132970 de Bogotá, quien se encuentra recluido en el estado de Virginia Estados Unidos, me dirijo a usted con mucho respeto y en mi nombre y el de mi padre, quiero pedir perdón a Estados Unidos y la sociedad.

Me dirijo a usted, muy respetuosamente, y le pido con el corazón nos permita tener viva la esperanza de ver y compartir valioso tiempo con mi padre, quien erró al tomar decisiones y tomó caminos indebidos que hoy en día dolorosamente los paga él y nosotros, su familia.

Día a día, lo extraño, lo pienso y lo recuerdo porque puedo decir que soy una persona con muchos principios, una persona trabajadora que busca siempre salir adelante con el bien, practicando diariamente los valores que mis padres me enseñaron, orgullosa de tener como padre a un hombre amoroso, familiar, respetuoso. Sé que su actuar no fue el correcto, pero es un ser humano que se equivoca y el afán de sacar a mi madre, a mis dos hermanos y a mi adelante lo hizo fallar.

De nuevo, en nombre de mi padre, quiero conseguir el perdón de toda una sociedad, deseo profundamente una segunda oportunidad, para nosotros como un hogar, para mi papá, como esposo, padre de dos adultos y un menor de edad que necesita su presencia, lo vea y lo guie como un gran ser humano, pero sobre todo, para ser un mejor ciudadano.

Honorable Judge:

I, Trini Alejandra Castaneda Romero, identified with National Identity Document #1016079593 from Bogota, daughter of Jose Mauricio Castaneda Garzon, identified with National Identity Document #79132970 from Bogota, who finds himself secluded in the State of Virginia, United States, address you very respectfully and on my and my father's behalf, wish to apologize to the United States and society.

I address you very respectfully and with my hearty ask that you keep the hope alive of seeing and sharing precious time with my father, who made a mistake when he made decisions and took improper paths that today, he and we, his family, painfully pay for.

I miss him day by day, I think of him and remember him because I can say that I am a person with many principles, a hard working person who always tries to get ahead by doing good, practicing daily the values my parents taught me, proud of having a loving, family oriented respectful man as a father. I know that in his behavior he was not proper, but he is a human being who makes mistakes and the desire to get my mother, my two brothers and I ahead made him fail.

Again, on my father's behalf, I wish to obtain the forgiveness of a whole society, I deeply wish a second chance for us as a family, for my father as a husband, father to two adults and a minor that needs his presence, see him and guide him to be a great human being but above all, to be a better citizen.

Mi esposo, aunque le falló a la sociedad, es un buen hombre, el mejor esposo y padre del mundo, él tomó malas decisiones y falló como cualquier ser humano, pero le pido con mucho respeto, darle una segunda oportunidad para que pueda enmendar su error con la sociedad, ser el padre y amigo de sus tres hijos, que pueda, junto a mí, ver crecer y formar como un buen ciudadano a su hijo menor, Dylan Mauricio Castañeda Cuellar.
